Dear Chesterfield Township Resident,

Enclosed is a survey that we would like you to please complete. This survey will assist the Township Committee in developing a plan for recreational activities within the township for the upcoming years. It is important that we receive input from as many Chesterfield residents as possible in order to gain as accurate a picture as possible of the needs and desires of a majority of the community in developing this plan and its priorities.

You can complete the survey by paper and mail it to the township Municipal Building at:

**Chesterfield Township Municipal Building  
295 Bordentown-Chesterfield Rd.  
Chesterfield, NJ 08515  
Attn.: Rachel Fryc**

You may also complete the survey on-line by using the link that is at the top of the survey, going to the township website and linking into the survey there, or you may see the survey advertised on social media sites such as Next Door Chesterfield. **We ask that you not complete the survey more than one time**, although we welcome surveys from other members of your household.

Please complete the survey on-line or return the completed paper survey no later than **December 15, 2018**.

We are asking for e-mail addresses as we are planning to develop a newsletter that we will be sending out to residents who are interested. This newsletter will only be sent by e-mail. This newsletter will contain announcements of community events within Chesterfield Township as well as other news that we hope will be of interest to our residents.

Should you have any questions about the survey, please e-mail Denise Koetas-Dale at [dkoetas-dale@chesterfieldtwp.com](mailto:dkoetas-dale@chesterfieldtwp.com) or Andrea Katz at [akatz@chesterfieldtwp.com](mailto:akatz@chesterfieldtwp.com).

We also welcome anyone who is interested in helping to redevelop the township recreational plan. This plan will take into consideration the results of this survey. Members of various community groups and churches have been meeting and developed this survey. They will be continuing to meet to develop both the newsletter and the recreational plan. We welcome input and suggestions from all Chesterfield residents in this endeavor and would be pleased to have you join this group.

Sincerely,

The Chesterfield Township Committee
