

***Chesterfield Township
Environmental Commission & Green Team
invite you to participate in a
plastic wrap***

RECYCLING CHALLENGE

How does the Challenge work?

- ❖ Instead of putting plastic wraps in the trash, take them to one of Chesterfield's collection locations
- ❖ Our goal is to collect 500 pounds of wrap by the end of November
- ❖ This will keep 500 pounds of plastic wrap out of the waste stream
- ❖ The wrap will be recycled and made into Trex building materials
- ❖ Trex will reward your community with a bench as a thank you for helping preserve our environment
- ❖ Take the TREX CHALLENGE and see how much waste you can recycle!

What can be recycled?

- Grocery bags
- Bread bags
- Case overwrap
- Dry cleaning bags
- Newspaper sleeves
- Ice bags
- Wood pellet bags
- Ziplock and other reclosable bags
- Produce bags
- Bubble wrap
- Salt bags
- Cereal bags

All plastic must be clean, dry and free of food residue
